Discipline Policy

A Biblical approach to child discipline must acknowledge the legitimacy of corporal punishment. The writer of Proverbs observed that, “folly is bound up in the heart of the child, but the rod of correction will drive it far from him”. CCA values the wisdom the Bible provides on this subject and will utilize it as we deem necessary. When this type of punishment is needed it will be administered in a loving way as to create a positive learning experience for the student. We love each one of our students and want only the best for all of them.

Please certify that you have read and understand our discipline policy.

Statement of Cooperation

By submitting this application for my child, I am professing that it is my desire to have my child complete the school year at Cornerstone Christian Academy. I also understand that there is a withdrawal fee in the amount of one month’s tuition.

I give full permission for my student to take part in all school activities including, but not limited to: field trips, physical education, school plays, and sports activities. I absolve the school from liability to me or my child because of injury to my child at school or during any school activity.

I understand that the school has full discretion in the disciplining of my child according to the rules set forth by the school. In addition, I understand that CCA is a private institution and it is a privilege to attend such an institution. I am aware and accepting that my full participation is needed in a mutual effort to train my child. Acknowledging all of the above, I will cooperate to the best of my ability.
